IES, Internet eBusiness Solutions Named to 2010 President's Club for Microsoft Dynamics
is recognized by Microsoft for commitment to customers.

FT LAUDERDALE, FLORIDA JUL ,14 2010— *IES, South Florida Based Microsoft Dynamics CRM and ERP integrator* has been named to the 2010 President's Club for Microsoft Dynamics. This achievement is a direct result of *IES's* outstanding dedication to customer satisfaction through the delivery of innovative business solutions.

President's Club for Microsoft Dynamics honors high-performing Microsoft Dynamics partners whose commitment to customers is reflected in their business success and growth. This prestigious group represents the top 5 percent of Microsoft Dynamics partners worldwide. Membership is granted based on their continual, committed efforts aimed at offering solutions that meet the needs of their customers.

This acknowledgment came during the Microsoft Worldwide Partner Conference (WPC), the company's annual premier partner event, which took place this year in Washington, D.C. WPC provides Microsoft Corp.'s partner community with the largest opportunity to learn about the company's road map for the upcoming year, establish connections, share best practices, experience the latest product innovations and learn new skills.

"Microsoft is proud to recognize IES for its outstanding sales achievement," said Doug Kennedy, vice president of Microsoft Dynamics Partners. "This honor is a direct reflection of *IES's* outstanding group of employees and management team, all of whom should be very proud of this accomplishment. *IES* plays a very important role in the growth and success of Microsoft Dynamics."

" We are delighted to be named for 2010 Microsoft President's Club, our clients turn to us during this challenging time to be more efficient in CRM and ERP, and this is evident by our successful year-over-year 30% growth" said Alanna Friedberg, President of IES.

IES provides implementation, training and consultation in the SE United States for public and privately-held businesses which require ERP software applications and process integrations. IES specializes in Dynamics GP, NAV, CRM, and WMS, with integrated and customized solutions that help leading companies across industries including distribution, telecommunications, financial services, eCommerce, health care, retail, and manufacturing achieve success.

Confidence – Competence – Peace of Mind – the criteria that a business uses to determine the satisfaction they expect from their solutions integrator. Confidence – that their needs are understood, that the proposed solution specifically addresses the totality of the project, and that the time and expenditure estimate is accurate and realized. Competence – that the provider knows the products it represents, knows the best utilization in the applications specified, and will complete a thorough training cycle for all users. Peace of Mind – that the ongoing relationship is stable and mutually beneficial, that IES responds in a timely, professional manner, and that their problems will be solved. Simply put, IES delivers.
