**IES NAMED TO 2008 MICROSOFT DYNAMICS PRESIDENT'S CLUB
Microsoft Honors Internet eBusiness Solutions (IES) for Outstanding Customer Commitment and Sales
Achievement**

WESTON & TAMPA, FLORIDA — JULY 2008 — Internet eBusiness Solutions, Inc., with offices in Weston and Tampa, Florida, has been named to the 2008 Microsoft Dynamics President's Club, receiving recognition from Microsoft Corp. for its dedicated commitment to customers. This is the second time IES has earned this honor and reflects IES's success in extending the Microsoft Dynamics platform to drive business advantages in companies worldwide.

This recognition came during the Microsoft Worldwide Partner Conference 2008 in Houston. The elite club recognizes the top 5 percent of Microsoft Business Solutions partners worldwide and their constant dedication to delivering solutions that meet their customers' unique needs, active pursuit of product and technological advancement, and impressive sales performance.

"Microsoft is proud to congratulate Internet eBusiness Solutions on being named to this year's Microsoft Dynamics President's Club," said Doug Kennedy, vice president, Microsoft Dynamics Partners. "IES not only has demonstrated a high level of product expertise, but also has provided a superior level of service and commitment to our Microsoft Dynamics customers, ultimately contributing to the overall success of Microsoft Dynamics and companies worldwide."

IES works closely with the teams at Microsoft to maintain a comprehensive understanding of the Microsoft Dynamics platform. This knowledge, combined with a deep understanding of customers' business needs, enables Internet eBusiness Solutions to help customers leverage the full value of their Microsoft investments and achieve the enhanced customer service, productivity and operational efficiency that promote growth and competitive advantage.

IES provides implementation, training and consultation in the SE United States for public and privately-held businesses which require ERP software applications and process integrations. IES specializes in Dynamics Great Plains, Navision, CRM, and WMS, with integrated and customized solutions that help leading companies across industries including distribution, telecommunications, financial services, eCommerce, health care, retail, and manufacturing achieve success.

Confidence – Competence – Peace of Mind – the criteria that a business uses to determine the satisfaction they expect from their solutions integrator. **Confidence** – that their needs are understood, that the proposed solution specifically addresses the totality of the project, and that the time and expenditure estimate is accurate and realized. **Competence** – that the provider knows the products it represents, knows the best utilization in the applications specified, and will complete a thorough training cycle for all users. **Peace of Mind** – that the ongoing relationship is stable and mutually beneficial, that IES responds in a timely, professional manner, and that their problems will be solved. Simply put, IES delivers.
